I agree to pay Jordan's Digital Dreams \$75.00 for the domain name setup and \$75.00 for the first seven (7) pages, there will be a charge of \$5.00 for every additional page. There is a \$15.00 update fee for every update. You will receive an invoice at the end of every month with all of your updates and other charges on it; you will be able to pay by credit card through Paypal over the internet or by check through the mail. The domain name will be under Jordan Gross's name and information. Updates include pictures, documents, etc. If you send JDD (Jordan's Digital Dreams) a document that has miss spelled words or descriptions on it and later want it fixed you will still be required to pay the update fee, however if JDD miss spells or miss types anything and you would like it to be updated there will be no update fee. If you run out of space in your e-mail box or run out of space for pages on the server and need extra space for things like this I will charge you the exact cost it cost me I will not add any update fees to this type of upgrades. Neither Jordan Gross nor Jordan's Digital Dreams will be held responsible for copyright issues or plagiarism. You will be able to receive e-mail through *email.secureserver.net*, or you may contact me on information on how to set up Outlook Express. You will be charged \$75 every one year for the domain name.
